Our services begin with masterplanning and continue through to detailed site design. We give each project the expertise required to create innovative design that is both inviting and memorable.

For meticulous attention to your landscape design, details and budget, call us to arrange a meeting. It's a beautiful way to get the project you have in mind off the ground.

Mary Smith Associates, P.C. is a landscape architectural firm providing design and project coordination services to discerning clients throughout New England. Founded in 1982, the firm is comprised of talented individuals committed to design excellence and client satisfaction.

During the last twenty years we have worked on numerous projects ranging in size from large estates to intimate courtyards.
